# Wayon Quartz

## What's Best About Us

### Stain Resistant & Antibacterial
The non-porous nature of the material leaves nowhere for molds and mildew to contaminate.

### Scratch Resistant
With its Moh's hardness of 6 to 7 (marble is 3-5) tested by an approved organization, common kitchenware, including sharp knives and other common items won't harm the surface.

### Safe
Certified by Greenguard Gold, CE Safety Certification, NSF (ANSI 51), ISO9001: 2000 (by CQC) and Alibaba Golden Supplier (by BV Certification), etc.

### Durability
Wayon Quartz is resistant to scratch, heat and corrosive chemical agents, such as acids and common cleaning solvents.

### Green & Eco-friendly
The whole production is in line with the concept of the 3R's (Reduce, Reuse, Recycle), all production is sterile and non-toxic. The finest choice for your perfect home.

### Colorful
With lots of colors in our Quartz line, we have all types of products to satisfy all customers' needs, even customization, such as personalized colors, mirrors, grains, etc.

# The Power Of The Elements

The V-Gem Collection offers Agate, Tiger Eye, Crystal, Xylopal and other semi-treasured surfaces, assembled piece by piece. We can use backlighting to enhance the natural translucency of some V-Gem Stones.

## Deluxe, Exquisite, Elegant And Ingenious

Feeling the luxury from Agate, the exquisiteness from Tiger Eye, the elegance from crystal, and the ingenuity from Xylopal. Different assemble processes will give you a different feeling.

## When treasure becomes crystal clear. Timeless surfaces.

*Not every V-Gem has translucent effect, please contact us for more details.
