

Quartz Surfaces

WG484 Dawning Black

Stunning Surfaces With Unique Technical Support

Every Wayon surface meets high global standards. We believe in training and continuous investment in R&D to build the best practices, develop new products, and ensure quality control from start to finish.

Wayon surfaces are ideal for countertops, vanities, flooring and wall paneling. Choosing a material with beauty and durability that weathers well in time.

Wayon Quartz

What's Best About Us

Stain Resistant & Antibacterial

The non-porous nature of the material leaves nowhere for molds and mildew to contaminate.

Scratch Resistant

With its Moh's hardness of 6 to 7 (marble is 3-5) tested by an approved organization, common kitchenware, including sharp knives and other common items won't harm the surface.

Safe

Certified by Greenguard Gold, CE Safety Certification, NSF (ANSI 51), ISO9001: 2000 (by CQC) and Alibaba Golden Supplier (by BV Certification), etc.

Durability

Wayon Quartz is resistant to scratch, heat and corrosive chemical agents, such as acids and common cleaning solvents.

Green & Eco-friendly

The whole production is in line with the concept of the 3R's (Reduce, Reuse, Recycle), all production is sterile and non-toxic. The finest choice for your perfect home.

Colorful

With lots of colors in our Quartz line, we have all types of products to satisfy all customers' needs, even customization, such as personalized colors, mirrors, grains, etc.

The Power Of The Elements

The V-Gem Collection offers Agate, Tiger Eye, Crystal, Xylopal and other semi-treasured surfaces, assembled piece by piece. We can use backlighting to enhance the natural translucency of some V-Gem Stones.

Deluxe, Exquisite, Elegant And Ingenious

Feeling the luxury from Agate, the exquisiteness from Tiger Eye, the elegance from crystal, and the ingenuity from Xylopal. Different assemble processes will give you a different feeling.

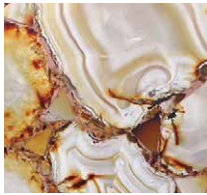

When treasure becomes crystal clear. Timeless surfaces.

Strict processing capability

Advanced automated production lines

Large factory, enormous potentiality

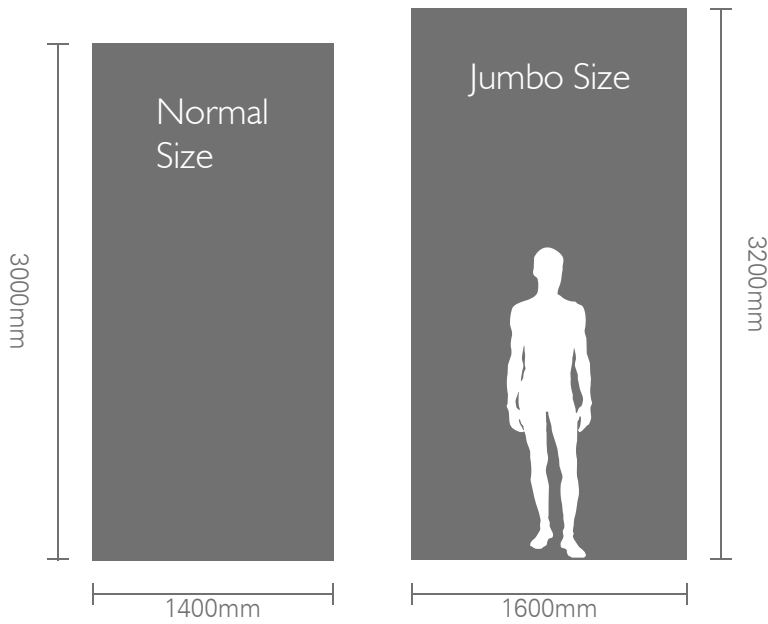

A Large-Scale Quartz Manufactory

From raw materials to finished products, every step of the production process is rigorously scrutinized for safety, health and green considerations. The whole production is in line with the concept of 3R's (Reduce, Reuse, and Recycle), and all the production is sterile and non-toxic.

We commit ourselves to the highest quality and respect the environment throughout our entire manufacturing process.

Slab Sizes

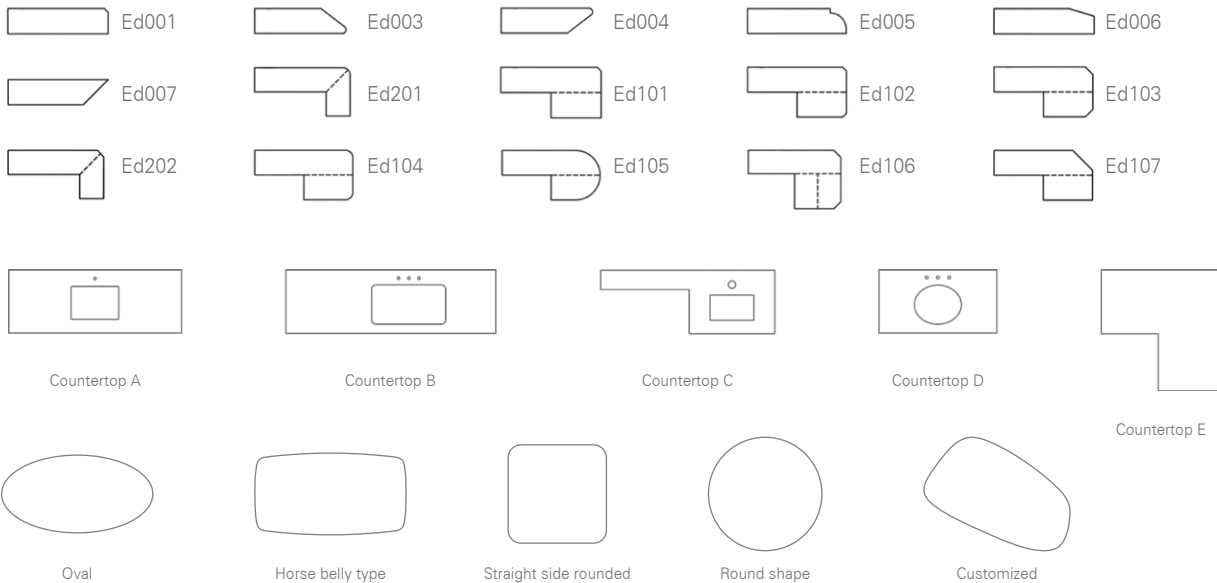

Size List

Slab sizes	WG series	3200x1600mm/126"x63"		3000x1400mm/118"x55"
