

# BW540V DIGITAL veterinary ultrasound scanner

## High-resolution images

Dog's 30-day gravidity

Dog's kidney

Dog's bladder

## Standard configuration

- Main Unit 1pc
- 10.4-inch medical LED display 1pc
- 4.0/5.0/6.5/7.5MHz transrectal linear probe 1pc
- Networking cable 1pc
- Power Adapter 1pc
- Probe Hanger 1pc

## Optional parts

- Rechargeable lithium battery (4400mAh)
- Charger
- Trolley
- Video recorder / thermal video graphic printer
- Enthernet switch
- Standoff for back-fat probe
- Black handbag

## Optional parts

2.0/2.5/3.5/5.0MHz  
linear loin probe

2.0/2.5/3.5/5.0MHz  
convex array probe

4.0/5.0/6.5/7.5MHz  
transrectal linear probe

2.0/2.5/3.5/5.0MHz  
transrectal convex probe

5.0/6.5/7.5/9.0MHz  
micro-convex probe

5.0/6.5/7.5/9.0MHz  
high-frequency linear  
array probe

# BW540V

DIGITAL veterinary ultrasound scanner

Over 10 years' experience in the development and manufacture of veterinary ultrasound, veterinary pulse oximeter and monitors. Over 100 countries and regions Bondway vet medical products have been exported to

**BONDWAY**  
since 2006

## Animals applicable

## Brief Introduction

BW540V is a full DIGITAL veterinary ultrasound scanner, compact and lightweight, which is developed by the creative engineering team of Shenzhen Bondway Electronics Co. Ltd. It's designed with medical LED display, wide visual angle, high contrast and high brightness for showing ultrasound images beautifully. With large-capacity lithium battery, you can do diagnostic imaging anywhere anytime freely. You'll have NO TROUBLE at all to find power socket or a long power cord in order to start your machine. It's an ideal option for the pet owners and breeders, veterinary clinics or hospitals, swine-breeding farmers, stud farms, horse breeders, cattle or cow farmers, aquatic museums, zoos, and research institutions, etc.

# BW540V

DIGITAL veterinary ultrasound scanner

## User-friendly design

- 10.4 inch LED rotatable display
- One-key operation including one-key storage, one-key review and one-key printing
- Large capacity lithium battery driving the machine for up to 200 minutes
- With built-in hard drive (4G) to save 5000-frame images permanently, without loss when power off

## Comprehensive data control system

- Quick query, search and review of images and datas
- Built-in workstation, with multi-plan templates to realize multi-medical record processing and complete reports quickly
- I-station, also named integral workstation equipped with for one-key networking printing

## Abundant Software Package

- OB measurement : GA and EDD for swine, bovine, canine, equine, feline, llama and ovine
- Other measurements: swine's lean percentage calculated automatically
- OB report function
