

XY-H020261101T

Appearance

Dimensions/mm

RF Specifications

Item	Description	Remark
Chip	F08 (Customized)	
Protocol	ISO/IEC 14443A	
Memory	TID	4 Byte
	USER	1K Byte
Frequency	13.56MHZ	
IC Life	Write endurance of 100,000 cycles Data retention of 10 years	

Physical Specifications

Item	Description	Remark
Product Dimensions	11*26mm (Customized)	
Thickness	0.11mm	
Material	FPC	
IP Rating	IP67	
Application temperature	-40 ~ 120°C	
Operating temperature	-40 ~ 70°C	
Customization	Logo printing or laser printing or encoding ...	
Package	200pcs/bag or customized	

Application scenarios

Electronic products, Aset management, etc
