

# XY-H0529721001T

## Appearance

## Dimensions/mm

## RF Specifications

Item	Description	Remark
Chip	NTAG213	Customized
Protocol	ISO/IEC 14443A	
Memory	UID	7 Byte
	USER	144Bytes
Frequency	13.56MHz	
IC Life	Write endurance of 100,000 cycles Data retention of 10 years	

## Physical Specifications

Item	Description	Remark
Product Dimensions	210*297 mm	Customized
Thickness	0.18 mm	
Material	Coated Paper	
Application temperature	-40~80°C	
Operating temperature	-40~70°C	
Application	Qualification certificate, asset management, etc.
