

XY-U130382301T

Appearance

Dimensions/mm

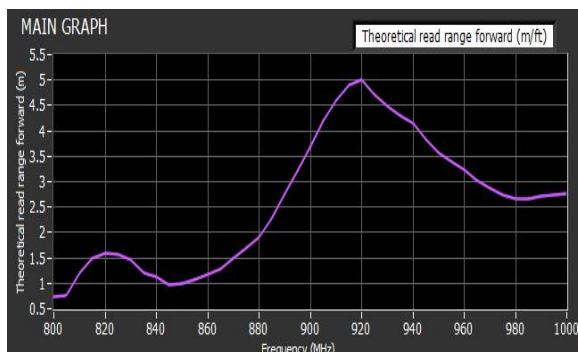

RF Specifications

Item	Description	Remark
Chip	EM4423	Customized
Protocol	ISO/IEC18000-6C	
Memory	TID	96 bits
	EPC	128 bits
	USER	160 bits
Frequency range with the best performance	900-960MHZ	
IC Life	Write endurance of 100,000 cycles Date retention of 10 years	

Physical Specifications

Item	Description	Remark
Product Dimensions	38*23mm	Customized
Thickness	0.07mm	
IP Rating	-----	
Application temperature	-20~70°C	
Operating temperature	-20~70°C	
Customization	Logo printing or laser printing or encoding ...	
Package	1000pcs/roll or customized	
Application	Inventory and Supply Chain Management, Asset Management, etc.
