ABOUT TONYA

Shenzhen Tonya Lighting Technology Co., Ltd. has been dedicated to being a professional manufacturer, designer and exporter of LEDs and LED related products in China since our establishment in 2007.

We are located in Bao'an, Shenzhen, which is the center of LEDs in China. Our company has more than 200 staff members and occupies more than 10000 square meters. With many years' experience in developing LED products, high quality and good after-sales services, we have won a high reputation and become one of the biggest manufacturers of LED products in China.

Innovation is the base of development; qualified service is the foundation of existence, Tonya Light keeps up with marketing trend based on customers' requirements, try to supply the best products with best price & quality and humanistic service.

All design and making by ourself. According to customers' requirement we can supply professional lighting solution not only design but also in production. Tonyalight operates strictly based on ISO 9001:2000, the quality management system from purchasing to designing to manufacturing.

Our products cover a wide range from Indoor to outdoor products, such as LED Flood Light,UFO LED high bay light,LED Tri-proof Light,LED Street Light,LED Stadium light,LED panel,Led Tube.

US Market: LED Shoe box light,LED Troffer Light,LED Wall pack light,LED linear High bay light etc.

Based on our strong R&D team, we are also able to meet customers' special demands. We have a strict Quality Inspection System to ensure product quality. The entire production process is strictly monitored and the "5-step QC testing" is our standard policy to supervise the quality. The advanced temperature testers, luminance testers and photoelectric instruments are adopted to conduct strict tests, such as voltage withstanding, shockproof and salt spray tests. All our operations are ISO9001:2000 certified. Our qualification rate is above 99.8%. All our products comply with CE and UL DLC standards and RoHS Directives.

We welcome every person with insight to cooperate with US.

LED FLOOD LIGHT SERIES

Beam Angle

30/60/90/140° 70° 70° 150° 150° 80° 50° 140° 140° 140 degree

64pcs Philips SMD3030

Light effect : >130LM/W

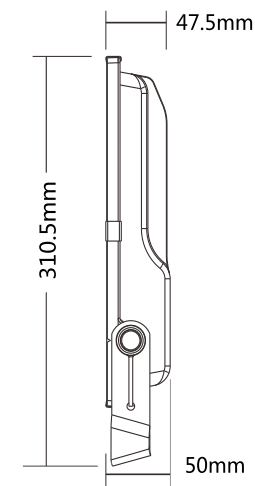

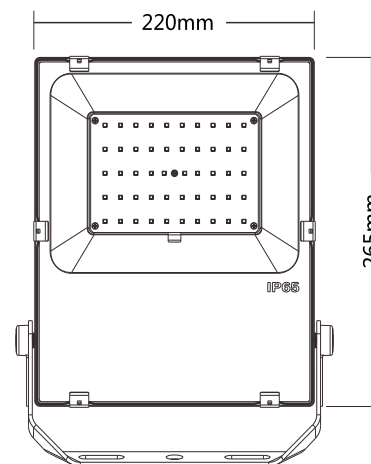

Meanwell PS Optional

Product Number

Power	Product Number	Color	Dimming	Input Voltage
50W	TY-FL19-50W	3000-6500K	0-10V/DALI	AC100-277V

Dimension

FL19 50W LED FLOOD LIGHT

Die-cast aluminum alloy casing, streamlined design of ultra-thin lamp body, with good heat dissipation effect and guaranteed;
Protection grade IP65, surface powder baking process, strong corrosion resistance, suitable for harsh outdoor environment; Ultra-white tempered glass panel, sturdy and durable, high light transmittance, strong driving force;
Choice of 30/60/90/140° 70° 70° 150° 150° 80° 50° 140° 140° 140 angle lenses to meet the needs of different places;
With Philips SMD3030 LED, High light effect, Long life, and the light color is W/R/G/B/A.

FL19 80W LED FLOOD LIGHT

Die-cast aluminum alloy casing, streamlined design of ultra-thin lamp body, with good heat dissipation effect and guaranteed;
Protection grade IP65, surface powder baking process, strong corrosion resistance, suitable for harsh outdoor environment; Ultra-white tempered glass panel, sturdy and durable, high light transmittance, strong driving force;
Choice of 30/60/90/140°70/70°150/150°80/50°140/140°140 degree lenses to meet the needs of different places;
With Philips SMD3030 LED, High light effect, Long life, and the light color is W/R/G/B/A.

Beam Angle

30/60/90/140°70/70°150/150°80/50°140/140°140 degree

96pcs Philips SMD3030

Light effect : >130LM/W

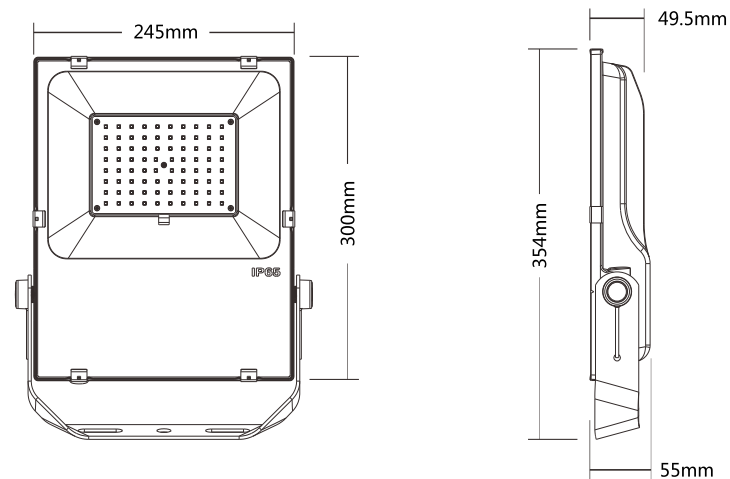

Meanwell PS Optional

Product Number

Power	Product Number	Color	Dimming	Input Voltage
80W	TY-FL19-80W	3000-6500K	0-10V/DALI	AC100-277V

Dimension

FL19 100W LED FLOOD LIGHT

Die-cast aluminum alloy casing, streamlined design of ultra-thin lamp body, with good heat dissipation effect and guaranteed;
Protection grade IP65, surface powder baking process, strong corrosion resistance, suitable for harsh outdoor environment; Ultra-white tempered glass panel, sturdy and durable, high light transmittance, strong driving force;
Choice of 30/60/90/140°70/70°150/150°80/50°140/140°140 angle lenses to meet the needs of different places;
With Philips SMD3030 LED, High light effect, Long life, and the light color is W/R/G/B/A.

Beam Angle

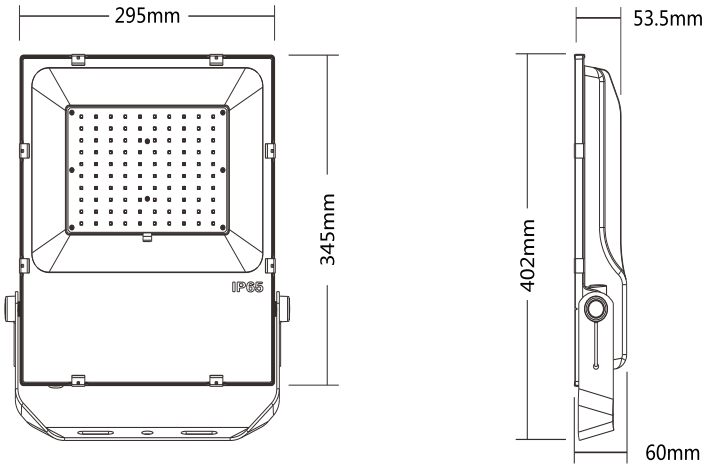

30/60/90/140°70/70°150/150°80/50°140/140°140 degree

128pcs Philips SMD3030
Light effect : >130LM/W
Meanwell PS Optional

Product Number

Power	Product Number	Color	Dimming	Input Voltage
100W	TY-FL19-0W	3000-6500K	0-10V/DALI	AC100-277V
