Company Profile

MONALISA Group Co., Ltd is located in Foshan, China. It is a large-scale ceramic manufacturer that integrates scientific research and development, professional production and marketing. The company was set up in 1992. And now it owns 21 modernized ceramic production lines. MONALISA Group has persisted not only in product innovation, but also in clean and green production. The company continuously invests in the transformation and upgrade of environment protection facilities. Now it becomes the benchmark enterprise in regional transformation, industrial upgrading and green development.

On 19th Dec, 2017, the company was successfully listed in Shenzhen Stock Exchange, Stock Code **0002918**.

Guangdong Monalisa Trading Co., Ltd is the fully-owned subsidiary of Monalisa Group, which takes full responsibility for the export and import business of Monalisa Group. The company has been practicing international business for years, offering our clients with high efficient and professional services. And we are eager to cooperate with customers from all over the world and extend the business together.
